4 Camera Screen Shot

---

### All Systems DVR

Our multiple Video input system, works as a digital video surveillance system and allows you to capture true color images and videos from 4,8,12 or 16 cameras simultaneously. With the latest **Motion Detection technology**, once any movement is detected in the monitoring area, the **Digital Video Recorder** automatically starts recording. . There's no need to keep your eyes on the monitor all day long anymore. Never change a VHS tape again.
